Collections, Shipping and Storage:

Goods will be released on receipt of payment of all sales charges. Please check the collection point of your lot prior to arrival.

Lots with ‡ symbol have been imported under Temporary Admission regime.

Prior to releasing the lots to UK purchasers, Dreweatts is required to make full import arrangements. 5% VAT will be charged on the hammer for such lots remaining in the UK. This may affect the collection availability. We will notify affected buyers when the import has been completed, and the goods are available for collection.

Export of lots with ‡ symbol is only possible via qualified shippers who can facilitate re-export from Temporary Admission. A list of selected acceptable shippers is available below. Buyers wishing to make their own re-export

arrangements may be charged 5% import VAT on the hammer price before the goods are released for collection if their shipper of choice cannot facilitate re-export from Temporary Admission.

Export of Items:

Prospective bidders are advised to familiarise themselves with any export and import restrictions or prohibitions applicable to the lots they wish to purchase. For example, the lots may contain prohibited material such as endangered species (and therefore be subject to CITES regulations) or be subject to shipping or trade restrictions. Cultural objects of certain age and value may require a UK export licence. It is buyer's responsibility to obtain any relevant export and/or import licences and permits, as well as pay any customs duties, taxes and other fees applicable on import into the destination country. Dreweatts will not cancel the sale if a lot may not be exported, imported or it is seized for any reason by a government authority.

VAT liabilities for overseas buyers:

Private overseas buyers can only receive goods free of VAT or have the VAT amount refunded if Dreweatts acts as exporter in relation to the sale, the goods are exported within 3 months of the sale and Dreweatts is in possession of adequate export documents. VAT refunds are available for transactions exceeding £2,500. If you arrange for the goods to be picked up/delivered to you directly we will charge UK VAT at the appropriate rate and no refund will be available. Please note, buyers are responsible for completing the importation procedures as well as the payment of any relevant duty/VAT payable on importation into the destination country.

Where the purchase has been made in the business or trading name, VAT refund will be available on proof of export provided within 3 months of the sale.
