Shipping

We do not offer a packing service ourselves, but we give below details of companies who would be happy to give you a quote for the despatch of your items. Lots will not be released until they are paid for in full, and the cost of shipping/despatch is payable direct to the company concerned. **Please note that we will need your prior authorisation before we release goods to any packer / shipper.** We regret that, as we have no packing facilities, we are not able to pack your lots for your own shipper or carrier to collect, so if you intend to arrange your own transport, please can you make sure that the firm you employ understands that they will also need to pack.

VAT liabilities for overseas buyers

Following the UK's exit from the European Union, private overseas buyers can only receive goods free of VAT/have the VAT amount refunded if Dreweatts acts as exporter in relation to the sale and arranges for the transport of the goods. If you would like us to arrange for the export and delivery of the goods there will be an admin fee of £100 plus the shipping cost. If you arrange for the goods to be picked up/delivered to you directly we will charge UK VAT at the appropriate rate and no refund will be available. Please note that if we export the goods to you, you will be responsible for completing the importation procedures as well as the payment of any relevant duty/VAT payable on importation into your country.

Business buyers are not affected by this change where the purchase has been made in the business or trading name and a VAT refund will be available on proof of export.

PLEASE SEE NEXT PAGE FOR A LIST OF SHIPPERS.
